

**Course descriptions**

*Dr. Zhao Chuanbing*

***Chinese language beginners II***

Credit: 2

**Brief introduction:**

Students who want to improve their Chinese proficiency and be more accurate and fluent in using Chinese as a second language.

This course is suitable for students who already have a certain level of Chinese (roughly equivalent to HSK2). Students are required to have nearly 300 words, Chinese characters and have a basic grammatical framework for Chinese.
